

CRIEFF HILLS COMMUNITY

**PHASE ONE
RENOVATION & ADDITION TO
CONFERENCE COMPLEX
Lower Floor**

**PHASE TWO
TWO STORY ADDITION TO
CONFERENCE COMPLEX**

To maximize its potential and increase its efficiency, Creeff Hills is planning a major redevelopment of its conference facility. Creeff is renovating (and in Phase Two building) to meet the demand for more space for meetings and to provide greater safety and accessibility for people with restricted or limited mobility.

The specific plans for PHASE ONE include:

- two new meeting rooms
- lounge and work carrel area for day guests and others
- adjusting the washroom area for privacy
- provide access to the service room without interrupting meetings
- rebuild the stair case for safety
